

Chili's Allergen Information

At Chili's, a top priority is always the health and safety of our guests. As part of this ongoing commitment, we provide the most current allergen menu information available from our food suppliers on the eight most common allergens to help our guests with food allergies to make informed food selections. Below is a link to suggested menu items for Egg, Fish, Dairy, Peanuts, Shellfish, Soy, Tree Nuts, and Wheat/Gluten allergens.

Because this list expires on a MONTHLY basis, please be sure to contact us for an updated version. We hope that you are able to choose a meal to your liking and look forward to serving you soon.

Suggested Beverage & Menu Options for EGG Allergies

We have prepared this suggested list of beverage and menu options based on the most current ingredient information from our food suppliers and their stated absence of egg within these items. Please be aware that during normal operations involving shared cooking and preparation areas, including common fryer oil, the possibility exists for food items to come in contact with other food products. Due to these circumstances, we are unable to guarantee that any menu items can be completely free of allergens.
